1. Athletes listed were first claim members of the Box Hill Athletic Club at the time of the performance, and for under age records they needed to be under the age on the day of the performance.
2. Performances must be traceable to an official document such as Athletics Australia rankings.
3. No wind assisted results are listed.
4. The international edict for electronic times has been applied i.e. 0.24 seconds allowed for hand times (m) for 100 metres and 200 metres and 0.14 seconds for 400 metres for record purposes.
5. For errors and omissions please contact Mark Stewart.
6. Events in the main table are included if they are either Olympic events (for example, the heptathlon or marathon), or if they are contested in Shield competition.
