

**BOX HILL ATHLETIC CLUB  
INCORPORATED**

**ANNUAL REPORT**

**2001 / 2002**

## **ACKNOWLEDGEMENTS**

The Committee wish to acknowledge the support and assistance given to the Box Hill Athletic Club by numerous people, both on and off the field, during 2001/02.

Our thanks to the City of Whitehorse for their continued support, to sponsors Banksia Sports Clinic, Ethertech and all those who made donations to the club and particularly to Stewart Livingston, Alan Cross and Eddie Hassett who work tirelessly in maintaining the track and facilities.

Thankyou also to everyone who assisted in the fundraising ventures and those who generously donated to the "Buy a Brick" building fund.

We would like to express our sincere appreciation to all of the above, to the coaches and team managers and many other behind the scene helpers.

## **PRESIDENT'S REPORT**

The past year has been the most successful year for the Club for the past decade, with a number of highlights throughout the year culminating with the Box Hill Athletic Club winning the men's State League premiership for the first time in seven years, the women's State League team just missing out on their third premiership in a row and four Box Hill athletes being selected to represent Australia at the Manchester Commonwealth Games.

The men's State League team started the year slowly, but gradually improved throughout the season to finish the minor round in 6<sup>th</sup> place. Despite not winning a round all year, and being in third place after the first evening of the finals, the true Box Hill spirit was evident on the second night of the finals when Box Hill was able to place well in every event to prove too strong for the Essendon and APS teams and run out comfortable winners. Team manager Chris O'Connor did a great job to get the team into the finals so many gaps in the team early in the season, however by making sure that we had all available athletes ready for the finals, we were able to fill almost every event. Club captain, Cameron Baker was an inspiration to his team-mates throughout the season and helped to ensure that we had our strongest team available to compete in the finals. With many of our traditional rivals forming combine teams with other clubs to strengthen their teams, Box Hill is now one of only three single club State League teams remaining, so it was particularly satisfying to beat the combine teams to win the final.

The women's State League team was greatly weakened this year with the loss of many of our senior athletes through retirement and injury which meant it was going to be a struggle to defend the premiership which we had won the last two seasons. This proved to be the case, however team manager, Val Armstrong did a great job in her last competition as team manager to get the team within 19 points of the strong Bayside combine.

With both Val and Les Armstrong retiring from active involvement in the Club, it will leave a huge hole which will be extremely difficult to fill. They have both contributed an enormous amount to the Box Hill Athletic Club over many years of loyal service and there are many members who are greatly indebted to them for the support that they have provided. We wish them well in retirement. I am sure that they will both keep a keen interest in the future progress of the Club.

The Club once again represented Victoria at the National Club Championships in Brisbane in both men's and women's competitions. With only a small team, there was great club spirit shown by the whole team, however the Queensland and NSW clubs proved to be too strong on the day and both teams finished in fifth place. Hopefully next year we can organise to get a stronger team to Brisbane and give the northern clubs a challenge.

The vote amongst venue Clubs to decide the location of interclub competition resulted in a decisive vote for the Box Hill venue over Doncaster. This was despite much lobbying from Doncaster and an option being presented to share the competition between the two venues. We are grateful to those Clubs that supported us and voted to keep competition at Box Hill for the next three years, however we must continue to work at maintaining their support over this period to ensure that the next vote is equally decisive.

The Club had a most successful year in interclub competition with 6 teams winning Venue Finals at Box Hill. The men's Division 1 and Under 16 teams and the women's Under 18 team continued on to win the Association Finals at Doncaster. The under 16 boys showed great club spirit to beat Preston in a medley relay runoff after the teams were tied at the end of normal competition.

Once again there were many outstanding performances by Club members throughout the year. Mohamad Zeed was selected in the Australian team to compete at the World Youth Championships in Hungary and ran brilliantly to finish 7<sup>th</sup> in the 110 m hurdles. Anna Thompson broke the long standing 5000 m Club record held by Megan Sloane at the Melbourne Track Classic and gained selection in the Australian team to compete at the World Cross Country Championships in Ireland where she finished in 15<sup>th</sup> place in the women's short course race.

Club members once again won numerous medals at the State Relay Championships, State Championships and National Championships. As a result of success in these championships, Bridgid Isworth, Andrew Letherby, Anna Thompson and Tim Williams gained selection in the Australian team to compete at the Commonwealth Games in Manchester in July, our biggest contingent at a major championship since the 1990 Auckland Commonwealth Games. We wish them every success – I am sure that they will represent Australia with distinction.

After many years of planning, lobbying council, submitting grant applications and raising funds, it was wonderful to finally complete the first stage of the club room redevelopment. Despite the works extending for several months longer than planned and causing some disruption to ground hirers, members training at the track and the first few rounds of interclub competition, the upgrade has made a huge improvement to the facilities offered to members and users of the ground. The new public change rooms and toilets, first aid room and officials room have been extremely well received by the other venue clubs, while I am sure all members will greatly appreciate their new change rooms, toilets, showers and much enlarged weights room.

We are most fortunate to have developed a good working relationship with the City of Whitehorse and are grateful for their contribution of about \$250 000 towards the project. Eddie Hassett has put in a huge amount of work through the Whitehorse Sports Advisory Board to cultivate this relationship and we are greatly indebted to him for this work.

Despite this contribution from the Council, the Club was required to make a contribution of \$134,000 to this stage of the works. It is a great credit to the work of the committee and in particular the Treasurer, Angela Robbie that the Club has been able to accumulate reserves over the last five years to be able to fund this work. However, to complete the upstairs section of the extensions, the Club will be required to make an additional contribute of about \$100,000 so there will be an ongoing requirement to raise significant additional funds over and above our current accumulated reserves.

To assist with this fundraising, a separate fundraising committee was established through out the year which enthusiastically went about organising a series of fundraising events. These events, along with donations made to the tax-deductible Barlow Building Fund established by Colin Organ, raised in excess of \$18,000 during the year. It was most pleasing to see the involvement of so many of our Club members in these events and I am sure that they helped to improve the Club spirit which contributed towards the fine performances on the track over the summer months. It is planned to once again hold a Trivia Night, Whitehorse Gift Athletics Carnival and Film Night this year to build on the success of these events from last year and help provide funds to pay for the upstairs section of the development.

An additional special fundraising event is planned for this winter. 2002 is the 70<sup>th</sup> Anniversary of the formation of the Box Hill Amateur Athletic Club and a special 70 Year Dinner is being organised for 27 July 2002 to commemorate this anniversary. It is hoped that there will be great support for this event by both past and present members in recognition of the remarkable successes achieved over this time.

It is very important that the second level of the Club room redevelopment is completed as soon as possible to provide shade and shelter for spectators in the grandstand and to provide a facility for installation of photo finish equipment. The Club continues to receive complaints about the lack of shade and shelter at the ground and Aberfeldie venue this year installed photo finish equipment for use at interclub competition, so we are in danger of being left behind by the other venues. It appears that the City of Whitehorse will be most unlikely to contribute funds towards the upstairs development so the committee is currently pursuing options for managing construction of the works ourselves to ensure that at least the building shell and grandstand roof are erected this winter.

Several other smaller capital works programs were completed at Hagenauer's Reserve throughout the year. The Club was successful in receiving a grant for \$1000 from the Federal Government through the International Year of Volunteer Grants Program which was used to construct a shade structure over the judges stand near the finish line. The bank in front of the canteen was terraced

with bluestone blocks and grass transplanted onto the terraces which has made a huge difference to this area. In addition, the area in front of the new first aid room and officials room was re-grassed and now provides an attractive grassy bank adjacent to the long jump pit. Ongoing repairs were made to the hurdles, hammer cage and massage tables while new throwing implements and jumps cross bars were purchased.

With the past year being the 50<sup>th</sup> Anniversary of the foundation of the Box Hill Women's Amateur Athletic Club, it was fitting that a brief ceremony was held at the end of the season to re-dedicate the new official's room as the Stewart and Martha Fraser Room. Several life members and a small crowd of current members were in attendance in recognition of 50 years of service by Martha to the Club.

Following on from the large surge in membership last year following the success of the Olympic Games in Sydney, numbers declined slightly over the past year to about 220. This is higher than 2 years ago but still significantly lower than 5 years ago and we will have to work especially hard in coming years to retain these members and grow our membership to the levels we achieved about 5 years ago.

I have been most fortunate to have had great support from the committee over the past year. Despite being only small in number, the committee manages to achieve a great deal and makes an enormous contribution to the success of the Club. I am constantly amazed at how Angela Robbie manages the multiple roles of Treasurer, Registrar and Canteen Manager. Her dedication and efficient performance of these responsibilities makes the job of the rest of the committee so much easier. Adam Pepper stood down from the position of Ground Hire Manager during the year to travel overseas for a few months so the Club took the step of employing a paid Ground Hire Manager to fill this time consuming role. While reducing the net income to the Club from hire of the facilities, it had become more and more difficult to find someone with the time to commit to this role on a voluntary basis. Adam has continued in his role of publicity officer and has arranged for numerous articles about the Club to be published in the local paper. Julie Milner has once again been a most efficient and dependable Secretary, as well as helping in the canteen each week, folding and posting the hardcopy newsletters and assisting with officiating duties at both State League and winter competition. Colin Organ has continued to efficiently administer the tax-deductible Barlow Funds to provide invaluable funds to support our State League teams and our building projects. Joan Hines continues to work tirelessly to ensure the efficient conduct of competition at the venue as well as representing the Club at Athletics Victoria meetings and serving on the Athletics Victoria Summer Competition Committee. Dale Bickham has continued in the role of updating the record boards and maintaining the club records on the web page.

The Club is most fortunate to have a large group of dedicated and enthusiastic coaches, officials and team managers who ensure that we provide the best possible facilities and opportunities for our members. It is these people who make a successful, vibrant Club and ensure that members are retained and maintain an involvement in the sport and the Club. We all need to ensure that all of these volunteers receive our thanks for the time and effort which they contribute.

The Club web page continues to grow has become a valuable resource for all members with all-time rankings, club records and competition results for the last two seasons now available. An increasing number of members now read their newsletter directly on the web page which enables faster, more cost effective distribution and saves a lot of work folding and mailing paper copies.

The Club is most appreciative of the continued sponsorship provided by Banksia Sports Clinic and Ethertech, while we are most fortunate to have received support during the year from Ross Haywood Sports and Runners World. Without their support we would be forced to raise fees to cover the ongoing costs of running the Club and providing facilities for our members.

With major improvements to our facilities in progress and success enjoyed by the Club and its members at all levels over the past year, the Club is in a great position to enjoy a period of sustained success. With the Commonwealth Games in Melbourne in just 4 years time, we look forward to an exciting time leading up to this event.

Graeme Olden  
President

### **SECRETARY'S REPORT**

I would like to thank the members, parents and friends who have helped out this season. With the formation of the fundraising committee, some new faces and fresh ideas were brought forward and it was good to see some of the younger people, Fiona Buchanan, Leanna Tilley and Sam Hassett getting involved in this area. Sam also organized the Relay for Life team in which we ran a very close second thanks to some heroic performances, particularly Graeme Olden who ran an amazing 145 laps in the 24 hour period.

We were required to supply helpers at several championships during the season and thanks must go to Cathy Tilley for assisting to co-ordinate the volunteers. Failure to provide assistants results in loss of points and the importance of the helpers was made very evident with the U16 men's premiership win.

Cameron Baker has continued to produce an informative newsletter, sometimes with a little too much information!! I would like to acknowledge the fantastic contribution Val and Les Armstrong have made to the club over many years and wish them all the best for the future. Finally, thanks to all our small, friendly committee. It has once again been a pleasure to work with such a great group of dedicated people.

Julie Milner  
Secretary

### **TREASURER'S REPORT**

I am pleased to report that the Club's financial statements again show an improvement on the previous season. This year a surplus of \$40,160.77 was achieved compared to a surplus of \$22,864.64 last season. This surplus was obtained by the usual ground hirings, canteen profits and collection of membership fees but most of it was due to an increased in donations, extra fund raising which totalled approximately \$8,500.00 and the tight reins on spending which meant that our expenditure decreased by approximately \$8,000.00.

Unfortunately our large Bank account will be short lived as the Club owes the Council the sum of \$134,052.00 for the clubroom redevelopment and this has to be paid within the next month. The Committee has also decided to go ahead with the top storey of the Club redevelopment without any funds from Council at a further cost of \$95,000.00. In order to complete the top storey the Club will need to borrow approximately \$50,000.00 and applications are presently being made to various Lenders to obtain such a loan.

A special thank you to all the people who have made donations direct to the Club or through the Barlow Fund. It is definitely easier to receive a donation than to sell a chocolate bar.

A tight hold on the purse strings of the Club will again be needed during the coming season to enable funds to be available for the every day running of the Club and to meet the loan repayments once the Club has borrowed to complete the top storey of the clubrooms. Nothing will be paid for without approval from Committee so if you see something that needs repair or think the Club can benefit from a particular piece of equipment obtain Committee approval or you may be paying for it yourself.

I would like to take this opportunity to thank all members of the fundraising committee who have done an excellent job in organising fund raising activities and hope that you will be able to keep up the hard work during the next season.

The Club this season has again been run by a small Committee which means that each Committee member has carried a huge workload. I would like to thank all members of the Committee for their support and hard work during the season with a special thank you to Graeme Olden who has contributed countless hours over and above his role as President of our club. I am sure that the whole committee would agree with me that without Graeme the clubroom redevelopment would not be happening.

Angela Robbie  
Treasurer

### **CANTEEN REPORT**

The canteen profits were slightly down this year on last season and this was due to the Club not being able to hire the ground to the private schools and open the canteen on several Saturdays prior to the commencement of the athletic season due to the building works which were being carried out. .

I thank all the people who helped in the canteen and a very special thank you to Julie Milner who helped every Saturday and who took over completely when I wanted a weekend away. If I continue with the canteen next season I hope time will permit me to arrange a roster however any offer of help from any member, parent or grandparent is all welcome.

The canteen is a major source of income to the Club and it is therefore important that this facility be retained. Someone needs to come forward and share the workload of the canteen as Julie and myself cannot be expected to run this very necessary fundraiser.

Angela Robbie  
Canteen Manager

## **TEAM MANAGERS REPORTS**

### **STATE LEAGUE – WOMEN**

It has been a season of high's and low's this year. It was a blow to lose Sandy Nichols and Beth Bird early in the season, also Jocelyn Keage and Nikki Chapple, who returned late in the season. Then, on the last night of finals, Cathy Marshall was injured and Georgie Power and Kate Fietz were unavailable.

The good points were, that despite all this, we finished in third place in the final, only 23 points behind the Bayside combine and Melbourne University.

Our success were due to the dedication and reliability of our top athlete, Kerri Jorgensen, supported in the middle distance events by Eliza Eddy and Hayley Tomlinson. Our hurdlers gained many points with Georgie Power, Sarah Coghill and Michelle Fistic and Wendy Muldoon scored well in the walks. They were backed by Kate Fietz in sprints, Cathy Marshall sprints and jumps and Cecilia Azcurra and Larisa Tourchinskyia in the throws. It was good to see the emergence of our young athletes into State League, Melanie Adams in the high jump each week, then Catherine Allen and Georgie McCallum coming in for the finals. This augurs well for the future of the club.

As this will be my last report, I wish the club every success for the future that I know is assured with the tremendously strong support which is the core of the Box Hill Athletic Club. I have greatly enjoyed the time working for the club, for the friendship over many years with Julie as Secretary and, in later years, working so closely with Cathy Tilley, without whose help I could not have managed. Thankyou to Chris O'Connor for all his support, to all the coaches for their co-operation, to Angela and all who help make this club what it is and to Graeme whose leadership is an example to us all.

It has been a privilege to be part of the tradition which is the Box Hill Athletic Club.

Valerie Armstrong

### **STATE LEAGUE - MEN**

After seven years "in the wilderness" the Box Hill men's state league team won our first premiership since 1995. Early in the season it seemed that we would be struggling just to make the finals, but as the season progressed our team got stronger, until we moved up to sixth place on the ladder and a spot in the finals. After the first week of finals we were in 3<sup>rd</sup> position, but with a great team effort we literally ran away from the opposition in the second week to win the coveted title.

Our sprint team was very strong this year. Marty Duke ran consistently well over 200 and 400 metres and was our top points scorer for the year. Marty topped off a great season by winning the state title over 200 metres. Braden Fraser transferred to Box Hill this season and was our second highest points scorer, running well over 100 and 200 metres and even dabbled in the long jump. Tim Williams missed much of the early part of the season but was a big factor late in the season and in the finals, going on to win a place in the Commonwealth Games team. Congratulations Tim. Though still juniors, Mohammed Zeed and Lane Harrison were also an important part of our team, scoring many points in the sprints and relays. Mohammed also won the state junior 100m. title, while Lane was second in the state junior 200m event. Rhett Medford also returned to Box Hill after an absence of several years and added extra depth to our sprint team.

One of the most pleasing aspects about the team this year was that when one athlete was unavailable, there was always another quality athlete ready to step in and take his place. Michael Jones was undefeated this season in state league 800m events and together with Tim Cherry, Tim Heron and Trent Hartshorne, they formed a formidable 800m team. Marcus Tierney gradually improved his form over the season and together with Graeme Olden and John Meagher scored many points in the distance events, while Paul Boxshall, Luke Yeatman and Kynan Dawes all performed well in the steeplechase. Ned McLeod and Cameron Baker ran well in the 400m hurdles, while new recruit, Dave Featherston, stepped up in the finals and ran well over 110m hurdles and 400m hurdles.

In the field, we were lucky to have Toby Pallett join the club this year, as he scored many points in the shot put and discus, while young Ronnie Buckley came into the team in the finals to score well in the hammer throw and discus. Cameron Baker and Joel Pocklington did well in the pole vault, with fifteen year old Joel improving consistently as the season progressed. Steve Hooker, recovered from injury and covered three of our weaker events, the high jump, the long jump and the 110m hurdles in the finals; it was a huge boost to the team.

Unlike our opposition, Box Hill had every athlete (who was uninjured) make himself available to for the finals. In the events where we didn't have regular competitors, some one was willing to have a go in the finals (yes, even in the walk!). In the end it was the Box Hill team spirit that helped get us through.

It was a great triumph for the club to win the premiership this year and thanks and congratulations should go to all the athletes listed below who competed in state league this season.

Lachlan Aspinall, Cameron Baker, Dale Bickham, Paul Boxshall, Nik Brudenell, Ronnie Buckley, Tim Cherry, Kynan Dawes, Marty Duke, Dave Featherston, James Fildes, Braden Fraser, Lane Harrison, Trent Hartshorne, Sam Hassett, Tim Heron, Steve Hooker, Michael Jones, Peter Knott, Barry Lynch, Simon McGuinness, Ned McLeod, John Meagher, Rhett Medford, Steve Miles, Leigh Miller, Graeme Olden, Toby Pallett, Joel Pocklington, Adam Rabone, Adam Remmers, Michael Saunders, Marcus Tierney, Luke Vague, Graham Watt, Andrew White, Andrew Wilcox, Tim Williams, Luke Yeatman, Mohammed Zeed.

With so many talented young athletes in the club, we should be able to continue our success in the years ahead. Let's hope that this is just the first of many more state league premierships in the upcoming years

Chris O'Connor  
Team Manager

## **WOMEN'S INTERCLUB**

The season was a mixed bag this year, successful from the view that there were two teams in the Association Final. Congratulations to the U18 team who took out the Premiership and well done to the U16 team who made it to the final and performed admirably, but lack of depth proved their downfall.

The senior teams had few regulars and low numbers each week. Injuries hit hard, especially in the Division 1 team on Venue final day. Lack of depth was again a major contributing factor to the teams' lack of success. Due to lack of numbers, the U14 team amalgamated with the U16's for the Venue final. Unfortunately there was some confusion with registrations resulting in some girls unable to qualify for finals.

The points competition held within the club saw Michelle Fistic come out ahead of the rest with a whopping 115 points, ahead of Sarah Coghill 102 and youngster Sarah Cant on 97. These girls experimented with new events and encouraged others to join them.

The year finished on a positive note from a manager's point of view. Parents and families recruited to help out on Association Final day, have shown interest in assisting in team management next

season. Many hands make light work and we look forward to seeing our helpers next year. Many thanks to Cathy Tilley and Val Armstrong for gathering results during my absences. Looking forward to next season

Elissa Ward

### **SENIOR MEN'S INTERCLUB**

The 2001/2002 Interclub season restored the senior grade Box Hill men's team to be the top team at the Venue. We had division 1 and division 2 teams in the venue final with a crushing win of 70 points inflicted on the opposition by our division 1 team. It was so pleasing to put together a team on the day that dominated from the outset. Toby Pallet started the day well for us winning the shot then discus. Graham Watt and Graeme Olden then took valuable placings in the walk before our 200m team came out and convincingly won each heat to push us into a good lead. The 5000m and 800m runners then gave us a lead that broke the opposition. From this point we just steam rolled all the way to the end of the day either winning or placing second in the relays, jumps, javelin and pole vault.

There was good support throughout the year across most events. The inclusion of David Featherston from Diamond Valley gave us valuable Shot and Discus points every week. David's versatility in that he can hurdle, jump and sprint as well, meant we were able to regularly field many events that previously we had no one. Regulars such as Tim Heron, Simon McGuinness, Barry Lynch, Dale Bickham, John Meagher, Peter Knott, Warren Yuen, Cameron Baker and Trent Hartshorne contributed week in week out which underpinned this teams performance.

Our division 2 team didn't win the venue final but it gave a very good account of itself. This team didn't make the finals last year so to come runners up this year was a big improvement. St Kevins proved to be too strong on the Venue finals day but I can see a better future next year for this team with an influx of more athletes coming out of the junior ranks next year. Rob Barclay, David Cross, Leigh Miller, David Ayers, Phil Coghill and Matt Slater did a lot of work throughout the year which was greatly appreciated. There was a much improved desire by athletes to get this team into the finals this year unlike last year where too many weeks went by with not enough competitors. I think the competitors in this team enjoyed the year a lot more than last year and this contributed to a better weekly turn out.

Division 3 was very much like last year, undermanned. Many clubs target this lower grade as their main aim for the year that keeps us from being competitive at this stage.

Many thanks go to those who supported the teams by acting as officials and helping at the end of the day with the packing away of equipment. Notably Alan Cross, Stewart Livingston, Sam Hassett and Eddie Hassett always do a great job.

I look forward to next season's competition and I hope that the competitiveness that has been present over the last two years continues to grow from both Box Hill's point of view and our competitors. Several of the other clubs really fancied themselves this year and have made comment that there is no easy premiership at our venue. You have to work hard to get a win at our Venue.

Rob Falkenberg

## **JUNIOR BOYS**

The season has just finished and what a tremendous effort from all the boys concerned.

U18 – This team were clearly the best throughout the season and after finishing on top and then winning the Venue Final and progressing to the Association Final. The result of this was a little disappointing to say the least. With a number of boys unavailable due to prior commitments and injuries taking their toll at the end of the season. The team finished 3<sup>rd</sup>, a long way from the winner Ringwood, and 1 point behind Preston. Not being able to field athletes in four of the events cost the team dearly.

Special mention in this team should go to Ronnie Buckley who, after Christmas, decided to move up from U16 and broke just about every throwing record that was available in the hammer, shot and discus. A fabulous effort on his behalf. Another club record to fall came via Andrew White in the 3000m.

U16 – What a sensational year these boys had. After starting off with one team the numbers increased so much that we finished the year with two, both of which made the Venue Final. A little disappointing that only one could go through to the Association final.

What an exciting day the Association Final turned out to be with Box Hill and Preston finishing on equal points. A medley relay was run to decide the winner and Box Hill came through in the end to finish Association Premiers. Special mention to the members of the medley relay, in starting order, Joel Pocklington, David Goodwin, Imram Zeed and who could forget Michael Saunders. Special thanks to all other members of this team.

Congratulations again to Ronnie Buckley who set more club records in this age group.

U14 – Only a small team of five throughout the season and what a wonderful effort for them to make the Venue Final, however greater things were still to come. With only two boys qualified to run at the Venue Final, Pryce Butson and Dion Pocklington did the impossible and won making their way to the Association Final. Whilst never really a chance to win, the performance of these two boys was nothing short of exceptional. Congratulations to both Pryce and Dion. With a few more athletes coming through there is no reason why we can't have another successful year next year like the one just finished.

Special thanks should go to all at Box Hill Athletic Club for helping me get through my first year as Team Manager, especially Stewart Livingston and Rob Falkenberg.

Glen White

## **VENUE REPORT**

The Interclub competition at the Box Hill ground over the summer months was competitive and successful. The Venue runs a tight, all events program and on most days keeps to the timetable. This is no mean feat when you look at the number of athletes and teams competing at the ground.

The Box Hill ground has a new look with the completion of the ground floor buildings. The First Aid facility is excellent, with a good sized room and a fridge for the ice. The officials room and the scorers den make for a much more efficient operation. New toilets and showers for visiting athletes and spectators have been very well received.

The ground manager of the Box Hill Athletic Club Inc. has had a very busy year keeping the competition up to scratch while assisting the builders and planting new areas of grass. The equipment team, Stewart Livingston, Alan Cross and Eddie Hassett have worked before, during and after all meetings to ensure that ground equipment is on hand and in excellent working order for the first class competition. New equipment has been purchased when required. Officials have a new wind gauge and a new printout stop watch.

The Venue final day produced excellent competition with most clubs at the ground having at least one team represented. Congratulations to everyone connected with this exciting day which produced the largest crowd of the spectators for the year. The Association final day showed the

value of good competition throughout the year when six of the twelve premierships on offer, including the four senior men's sections, were won by clubs at the Box Hill Venue.

Venue winners –

\*denotes Association winners

Our computer team of John Killip and David Armstrong, assisted by Graeme Olden, worked long hours during the week to enable the interclub results to be received by Athletics Victoria within a few days of competition.

My thanks to all of the voluntary officials, without whose constant assistance there would be no competition, the venue Chairman and venue committee, the computer team, the competition manager and the technical officials and the helpers supplied by the clubs, Mal Cother who produces copies of the interclub draw each week and Ron Campbell for looking after first aid.

Graeme Olden and the committee of the club have had a very busy year with building, and fund raising and I thank them for their understanding and support.

Joan Hines  
Venue Secretary

## **2000 WINTER REPORT**

The 2001 winter season was not as successful as the previous season with most of our elite runners absent for much of the season through injuries and work commitments. However there were some fine performances shown by our junior athletes and consistent performances by some of the senior athletes which indicates that if the current athletes are retained and continue to improve, and new athletes can be recruited, the Club can look forward to success over coming years.

The season once again started with the traditional 5 km Handicap race, and this time it was junior Liam Rourke who slipped under the handicapper's guard and won the race from Chris O'Connor and Dale Bickham. Thanks to Ian Sloane for once again putting up with all the tales of woe to set the handicap marks and record times and placings.

With Julian Dwyer absent for most of the winter with injury, the men's Division 1 team struggled in the cross country relays at Brimbank Park and finished 6<sup>th</sup>, our lowest placing for many years. However, it was pleasing to have new recruits Paul Boxshall and Luke Yeatman help strengthen our team and to welcome back John Meagher after several years away from the club. John ran one of our faster times of the day to help the Division 3 team into second place, while the Division 6 team and the women's Under 20, Under 18 and Under 16 teams were all victorious.

Unfortunately, injuries to many of our junior athletes meant that our junior girls teams were not so successful at the Sandown Road Relays. Hayley Tomlinson ran a fast first leg in the Under 16 team to lead them to victory, however it was most disappointing that we were unable to fill a Division 1 women's team. The men's Division 1 team again finished 6<sup>th</sup> despite Julian Dwyer running a fast second leg to put us in a prominent early position. Our improved depth in the lower grades meant that we were able to claim victory in Divisions 3, 6 and 7.

Our Division 1 team for the Coliban Relays was below full strength and could not repeat last year's heroics, finishing in 4<sup>th</sup> place, however Matt Slater made up a huge amount on the last leg for the Division 3 team to almost claim victory, finishing second by just 9 seconds.

Andrew White showed a great deal of promise for the future, having a most successful season in Under 18 competition, finishing second at Albert Park and Bundoora and third at Flemington and Brimbank Park. With another year of training behind him, he should be even more successful next year when he will still be eligible to compete in Under 18 competition.

Hayley Tomlinson proved to be the outstanding Box Hill athlete for the winter season. She won every winter championship event in the Under 14 age group, and often beat home most of the boys in the same race.

Anna Thompson returned from Tasmania to run at Warragul and Bundoora Park and finished in second place in both races - a great achievement. Her great form in these races was no doubt a contributing factor to her selection in the 2002 World Cross Country team.

Jocelyn Keage showed great early season form to win the Under 18 race at Flemington but was then unfortunately struck down with an Achilles tendon injury which ended her season. Jess deBruin had a most successful winter season, finishing second in three races and third at Flemington. It was also most pleasing to see Nikki Chapple back racing again after several seasons absent from the sport. She consistently finished in the top 10 in the winter races and showed that she still has the ability to be competitive at the top level.

It was most disappointing that there were only two starters in the Club 10 mile championship, however the tradition was maintained and the event was held over an undulating course along the Eastern Freeway bike paths. Hopefully there will be a bigger field next year.

The winter athletes once again greatly appreciated the hospitality shown by Megan and Ian Sloane who provided afternoon tea after each race. Thanks also go to those members and parents who helped out with officiating and serving in the canteen at Bundoora Park. Your support is greatly appreciated as it helps to raise valuable funds for the Club and without these volunteer officials, our teams would lose points on the day.
