ASSOCIATION FINALS RESCHEDULED FOR SATURDAY, MARCH 11

We have just received information from AV that the Association Shield Finals that were cancelled on Australia Day, will now be held at Knox on Saturday, March 11 (see below).

It is important that all eligible athletes contact their team manager (or reply by return email) about their availability for this date.

SUBJECT: RESCHEDULED AV SHIELD FINAL

Following the cancellation of the AV Shield Final on Thursday 26th January due to adverse weather conditions, the AV Summer Committee has considered the availability of tracks and dates in deciding when to reschedule the meet.

The rescheduled Final will now be held on:

Saturday 11th March, 2006 at the Knox Athletic Track, Rushdale Road, Scoresby, Melway Ref 73 D7

The program will be the same as is printed in the Summer Handbook.

Although part of a long weekend and only a week before the commencement of the Commonwealth Games, the 11th March was the only realistic date that could accommodate the meet. AV wishes to apologise for any inconvenience but believes the Shield Final is worth holding if possible.

Team lists must be resubmitted to the AV office by close of business on Friday 4th March, 2006.

Nick Honey
CEO

On behalf of the Board and the AV Summer Competition Committee
