## TAN RELAYS: SUNDAY, SEPTEMBER 18

Program:

9:00 am	Women Open	3 x 3.827km
9:05 am	All Junior events	3 x 3.827km
10:15 am	Men Div 1	6 x 3.827km
10:15 am	Men Div 4	5 x 3.827km
10:20 am	Men Div 7	4 x 3.827km

The last event for the winter looks like being a big one, with many athletes keen to race around the famous tan track.

We have entered teams for men's division 1, division 4 and division 7 and under 18s and for women's division 2, division 3 (two teams) and under 18 and are hoping for good results to finish off a successful season.

Despite winning the men's under 20 winter premiership in 2004, last year was a very disappointing winter season for the club. Our division 1 men's team finished 9th and our women's team finished 11th and were dropped down to division 2. This year has seen a great turn around. Our men's team is 2nd on the ladder and our women's team is on top of the ladder in division 2 and looks certain to be promoted back to division 1 next year.

Congratulations to all the athletes and coaches and supporters who have contributed to our success this year.

But there is still one round to go and let's hope that we can finish off the season in style!

Please contact one of the winter competition committee about your availability as soon as possible.
