Note that we have to provide 3 helpers to assist with officiating on the day, so if you or any of your friends or family can assist, please contact Julie Milner at <mailto:jmilner@tpg.com.au>.

Athletics Victoria have advised that registration numbers and winter handbooks will finally be available for distribution on the day, so please make sure you bring some safety pins with you so that you can pin your new numbers onto your uniform!

SPECIAL GENERAL MEETING - TUESDAY 16 MAY 2006

As noted in the last newsletter, a Special General Meeting is being held on Tuesday 16th May 2006 at the club rooms, commencing at 7:30 pm. The main purpose of the meeting is to explain the role of the committee to Club members and to identify people that could possibly take on some of these roles to spread the load and ensure that the Club can take advantage of its wonderful history and great facilities and be successful into the future.

This meeting is most critical for the future success of the Club, so if you have any interest at all in the future success of the Club then you must attend this meeting to assist in putting in place a committee structure to develop a new long term plan and take the Club to the next level of success.

WORKING BEE - SATURDAY 20 MAY 2006

With the track season now finished and access almost available to the upstairs sections of the club rooms, there are a number of maintenance tasks that need to be attended to in preparation for the opening of the club rooms and to repair and pack away equipment for the winter.

A working Bee has been scheduled for Saturday 20 May 2006 from 12:00 noon until 5:00 pm to undertake tasks such as:

- Painting the floors on the new club rooms.
- Staining the timber framing around the internal windows on the new upstairs rooms.
- Painting of new hurdle tops, repair of broken hurdles and stacking away hurdles in the shed.
- Painting and repair of throwing implements
- Installing covers over long jump pits
- General clean-up of the track and rooms and disposal of rubbish.

A BBQ lunch will be provided at about 2:00 pm for those who assist at the working bee.
