

Box Hill Athletic Club Winter News 11

RELAYS! RELAYS! RELAYS!

HARCOURT TO BENDIGO RELAY, SATURDAY, JUNE 24

Over the next 4 weeks two of the big relay events of the winter season will be held. On Saturday week, June 24, the Harcourt to Bendigo (Coliban) relays will be contested. If you have not already confirmed your availability for this event please let us know as soon as possible. This event is for senior teams only, but juniors can run in the senior teams.

Distances vary from 4.9km to 9.3km and we are hoping for strong performances from both our men's and our women's teams. We have entered 2 men's teams (a total of 12 runners) and 2 women's teams (a total of 10 runners) but we will enter a third team if there is sufficient interest.

SANDOWN ROAD RELAYS, SATURDAY, JULY 8

We are planning on entering 4 senior men's teams, 3 senior women's teams plus men's and women's under 20 and under 18 teams for this event. So we are hoping that all distance runners will be available to compete on this day.

ALL SCHOOLS CROSS COUNTRY

Good luck to all club members who are competing at the Victorian all schools cross country this Saturday at Bundoora Park.

TRIVIA NIGHT

The Box Hill Athletic Club is once again holding a Trivia Night this winter as our major fundraising and social event for the year. With last year being one of our most successful nights yet, we are hoping to do even better this year so start getting your friends or training squad organised now. The date for Trivia Night is Saturday 29 July 2006. The venue for the event will once again be the Ashburton Primary School. The success of the night is largely dependant on the generosity of our members and their friends and families in donating items for prizes and auction so we are once again asking all members to ask everyone that they know for donation of suitable items. If you can assist in any way or have an item that you would like to donate, please contact Leana Tilley at leana@bambooblinds.com.au or Cameron Joyce at camjoyce@bigpond.com

LADDERS

After the Frankston cross country event our men's division 1 and division 3 teams have fallen back to 4th place on the ladder, but we are hoping to improve on this situation with strong performances in the Harcourt-Bendigo and Sandown relays over the next 4 weeks. Our under 20 men are holding onto second place on the ladder. Our women's teams are doing extremely well this winter. After being promoted from division 2 last year our women's team is second on the ladder in division 1. Our under 20 women are sharing top spot in their division and are a big chance to win the premiership this season.
