Congratulations to Simon Evans (40+ Walk) and Robyn Barclay (65-69 pole vault) who both won gold medals at the Victorian Masters championships at Olympic Park on the weekend. Nev Gardner also competed in several events and picked up two silver medals in the 60-64 division.

## **PRESENTATION NIGHT**

Mark down Friday April 18 in your diary. The club will be holding its annual presentation night at the club rooms on this night. We are hoping as many members as possible will be able to attend.

## **DO YOU HAVE A TROPHY?**

There are a number of perpetual club trophies that will be presented at the Club Presentation Night on April 18. If you have one of these trophies it is essential that you return them as soon as possible so that they can be engraved and ready for presentation.

## **XCR08**

With the track and field season now drawing to a close, members are reminded that the cross country and road racing season for 2008 starts soon, with the club 5k handicap race on Saturday, April 12. The first AV event for the winter season will be the cross country relays at Jells Park on Saturday, April 19. We encourage as many athletes as possible to be a part of the winter series. With distances that range from 3.8km to 21.1km (for the open age athletes) there is a great variety of events.
