RUN FOR THE KIDS – VOLUNTEERS NEEDED THIS SUNDAY!

Although this is not an Athletics Victoria event, AV runners are given a priority start and AV information is given out to runners. In return each club must supply officials to help with the running of this charity event. Box Hill has been asked to provide a number of volunteers to help as officials. If you are not running in this event and are willing to help out on Sunday morning, please let us know as soon as possible.

PRESENTATION NIGHT – APRIL 18

Mark down Friday April 18 in your diary. The club will be holding its annual presentation night at the club rooms on this night. We are hoping as many members as possible will be able to attend.

DO YOU HAVE A TROPHY?

There are a number of perpetual club trophies that will be presented at the Club Presentation Night on April 18. If you have one of these trophies it is essential that you return them as soon as possible so that they can be engraved and ready for presentation.

CLUB 5K HANDICAP

Everyone is welcome to take part in the Clubs annual 5k handicap race to be held at the usual venue along Gardiner's Creek in Box Hill South on Saturday afternoon, April 12. Let Chris O'Connor or Ian Sloane know if you plan to run so that you can be allocated an appropriate handicap.

XCR08

With the track and field season now drawing to a close, members are reminded that the cross country and road racing season for 2008 starts soon, with the club 5k handicap race on Saturday, April 12. The first AV event for the winter season will be the cross country relays at Jells Park on Saturday, April 19. We encourage as many athletes as possible to be a part of the winter series. With distances that range from 3.8km to 21.1km (for the open age athletes) there is a great variety of events.

GOOD LUCK

Good Luck to Chris Hamer who is travelling to France to take part in the world university cross country championships on April 6.

CONDOLENCES

Condolences to Box Hill's longest serving member, Neville Gardner, whose mother passed away on Friday 15th Feb 2008, aged 96 years. Many members will remember Mrs Gardner who was a very loyal supporter of Nev and the Box Hill Athletic Club, and regularly attended many interclub meetings at Box Hill up until about seven years ago.
