LATROBE UNI ROAD RACE ON THIS SUNDAY MORNING, JUNE 1

The next event in the Athletics Victoria Winter Series, will be the road race at La Trobe Uni on this Sunday, June 1. The program consists of a 5km race at 9:30am for all the junior age groups and a 15km race for the open men's and women's divisions at 10:00am. We are hoping for another great performance to consolidate our position on the ladder. Box Hill are on top of the ladder after three rounds in Men's Division 1, Men's Division 3 and the Men's Over 40 competition and in second place in the men's under 20 age group. See ladders below. If you wish to run in this event and have not put in a season's entry form, either enter direct through AV or let us know as soon as possible so that we can send in an entry for you.

TRACK RESURFACING UPDATE

The final works associated with completion of the track and surrounds ready to hand back to the Club for use have progressed slower than hoped over the past couple of weeks so that it appears that we will not be able to use the track until at least the end of this week and probably early next week.

Painting of the main circular lines has now been completed and the surveyors are in the process of marking all the lines across the track for finish and start lines, hurdle marks and relay changeovers after which the linemarkers will need to return and paint the lines. The Contractor will then need to reinstate the inside running rail, clean up the ground and remove the fence and their equipment. It is unlikely that all of this will happen this week, particularly if we receive any further rain, however there is a good chance that we will be able to get access to the track early the following week (around 2-3 June).

As mentioned previously, once we gain access to the track, there will be a lot of work to do to clean up and put out equipment for training so a working bee will be necessary to undertake all of these tasks. A date for this working bee has been tentatively set for Saturday 14th June, from 12:00 noon - 4:00 pm. Further details will be provided once we have a definite date for access to the track.

CLUB RECORDS

Mark Stewart has spent many hours updating the club records and has done a great job of tracking down performances and incorporating a large number of new records which have been set over recent years into our official record lists. These updated records have now been posted onto the Club web site at: <http://www.boxhillathleticclub.org/records.htm>. Please review the records listed and if you have any updates, please contact Mark at mark.stewart@rmit.edu.au. Mark hopes to print out a new set of records to put on the boards in the club rooms in the next couple of weeks so would appreciate any feedback as soon as possible.

REGISTER NOW!

Registrations are now due for the 2008/2009 season. If you plan to run the winter season it is important that you register as soon as possible. If you are not competing until next track season, why not pay your fees now and get your full 12 months worth of registration? Registrations are valid from April 1 until March 31 next year.
