GET REGISTERED NOW!

Registration are now due for the 2010/2011 athletics year.

Registrations expire on April 1 each year, so if you have not already done so, send in your registration forms now so that you are a paid up member and ready for a winter of either racing or preparing for next summer!

Athletes will soon be sent a wristband that they are expected to wear when training at the track to show that they are either a registered member or have paid training fees.

There might be a delay in sending registration numbers to members who have paid their fees (unless they are required for winter events) while the wristbands are being sourced.
