TRACK AND FIELD SEASON IS HERE!

In just over 2 weeks the first round of Shield competition for the 2012/13 season will be held at Box Hill. Although the timetable is still being finalised, the events and season calendar are attached.

Please make sure you are registered for the first round of competition!

COACHES MEETING ON TUESDAY

All coaches who use the Box Hill facilities or coach Box Hill athletes are urged to attend a meeting at the clubrooms at 7:15pm on Tuesday, October 2. The aim of the meeting is to discuss how the Club's coaches can work more cooperatively together and also to gain feedback from the coaches about what the club can do to better support them.

SEASON LAUNCH, TUESDAY OCTOBER 9

The 2012/13 track and field Shield season is just over 2 weeks away! To launch the season a function will be held at the clubrooms on Tuesday, October 9, from 7pm. This is a great opportunity to meet team mates, coaches, team managers, club captains and to ask any questions you might have about the upcoming season. And there will be free pizza available! All members are welcome and encouraged to attend.

ARE YOU REGISTERED?

Club registrations are due on April 1 each year. If you have not paid your fees for this year make sure you do so as soon as possible, or you risk not being able to compete for the club in the first round of track and field competition on October 13.

TEAM MANAGERS NEEDED

Team managers are desperately needed for this season. It is not an onerous job but does require that you attend (nearly) every week of shield competition. Anyone who might be able to help, please let us know and we can give you more information.

NEW GROUND HIRE MANAGER

Please note that Stephen Cain has been appointed as the ground hire manager responsible for opening the ground for school hirings, looking after set up and pack away of equipment and ensuring that all users of the ground pay an appropriate training fee.

Steve takes over from Tony Marsh who has performed this role for the past few years and we thank Tony for his efforts over this time.

Stephen lives close to the track and trains at the ground nearly every day so he is ideally positioned to undertake the role. He will be assisted by Club member, Jesse Spry. Please give Steve and Jesse your support as they become familiar with the users of the track and the requirements of their role.

Steve is keen to implement some new initiatives including posting regular updates of ground hirings and financial members of the club on the notice board inside the main club room entrance. In addition, the Club website is again being updated regularly with lists of upcoming ground hirings, so please check the web site at www.boxhillathleticclub.org for the latest hirings if you are planning to train outside of normal training times to confirm that the ground has not been booked for a school sports day.

While every attempt will be made in the future to avoid booking the track during regular evening training times from Monday to Thursday, please note that there are two upcoming school bookings which may impact on users. The track will not be available for training on Monday 22 October from 5:00 pm to 8: 30 pm and on Monday 29 October from 4:00 pm to 7:30 pm. We apologise for any inconvenience that this may cause and suggest that you arrange to train at alternative times or venues on these dates.

WORKING BEE

Thanks to Rob Falkenberg, David Stevens, David Hamer, Colin Organ, Angela Robbie, Megan Sloane, Ian Sloane and Talitha Crawford who gave up their time on the weekend to clean the clubrooms and track and organise equipment in preparation for the start of the track season.

WINTER SEASON RESULTS: Two Premierships to Box Hill

As mentioned in last week's bulletin, Box Hill won two XCR'12 winter premierships. Our over 40 women's team was again triumphant and our division 2 men's team also won the premiership. Our men's teams performed particularly well. We had teams entered in divisions 1, 2, 5 and 7, finishing second in division 1, first in division 2, second in division 5 and fourth in division 7. this is a tremendous effort when you consider that most of our top runners were unavailable for many of the races, either being injured or overseas.

An XCR'12 presentation day is being held at Athletics House at Lakeside stadium on Sunday, October 7. Let us know if you wish to attend.
