**SHIELD COMPETITION STARTS THIS SATURDAY!**

The first round of Shield competition for the 2012/13 season will be held at Box Hill this Saturday, October 13. The track events (100m, 400m, 1500m, 5000m/3000m, Hurdles, Walk and Relay) start at 1:30pm. While the field events (pole vault, long jump, javelin and discus) start at 1:15pm.

**The timetable for the day is attached.**

Please make sure you are registered for the first round of competition!

We hope to see as many athletes as possible fronting up for the first day of the summer season.

When you arrive on Saturday, please report in to the team managers who will be situated outside at the far end of the clubrooms from the entrance.

**SEASON LAUNCH, TONIGHT! Tuesday October 9**

To get the season off to a flying start, a function will be held at the clubrooms on Tuesday, October 9, from 7pm. This is a great opportunity to meet team mates, coaches, team managers, club captains and to ask any questions you might have about the upcoming season. And there will be free pizza available! All members and friends are welcome and encouraged to attend.

**ARE YOU REGISTERED?**

Club registrations are due on April 1 each year. If you have not paid your fees for this year make sure you do so as soon as possible, or you risk not being able to compete for the club in the first round of track and field competition on October 13.

**TEAM MANAGERS NEEDED**

Team managers are desperately needed for this season. It is not an onerous job but does require that you attend (nearly) every week of shield competition. Anyone who might be able to help, please let us know and we can give you more information.
