SUMMER IS COMING!

The summer track and field Sheild competition season start next month, so if you are not yet in shape it is time to start training! It is also important that if you have not yet registered for the 2012/13 year you get your registration forms in soon so that you are eligible to compete in the first round of competition on October 13.

To start the season off on the right foot we will be holding a season launch at the clubrooms on the evening of Tuesday, October 9, hopefully all members, particularly new members will be able to attend.
