STATE LEAGUE VICTORY

This year the Box Hill men's team won the State League Premiership for the first time since 1995. While the team finished the season 6th on the ladder those in the know always had confidence as the rounds are biased towards field events and the finals format was always going to let Box Hill's dominance on the track shine through.

After the first week the team was 22 points behind after a controversial and highly contested disqualification by an obviously either blind or biased official. But with the second week our stronger team, manager Chris O'Connor was always confident and Box Hill ran out winners by 46 points.

The women's team finished a credible 3rd in State League finals this year suffering the same problems that they have had all year with a lack of depth in the sprints and injuries to key athletes. Bayside took out their first premiership ahead of Melbourne University.

It was a sad night for the women's team though with the retiring of Val and Les Armstrong who have managed the team to their recent successes. Though I feel that several athletes will be breathing easier now that Val won't be ringing them up, bugging them to run on a Thursday night.

STATE LEAGUE CONTINUED

With the ages of the athletes competing for Box Hill ranging from 15 to 38 we have a lot of talented juniors coming through who should be able to lead the team to more victories in the future.

But I think the last word should be left to the man with the biggest smile of the night, Graeme Olden: "It is extremely satisfying to win our first men's State League premiership for seven years, particularly as Box Hill is one of the few non-combine teams in the competition. It is great to have so many juniors come though to fill holes in the team and return Box Hill to the position as the strongest club in Victoria."

The victorious men's State League team at Presentation Night.

NATIONAL CLUB CHAMPIONSHIPS

The National Club Championships were held on the Sunday morning of the National Championships in Brisbane. With several Box Hill athletes having just made the Commonwealth Games team on Saturday there had been much celebrating for the Box Hill athletes on Saturday night and somehow after two hours sleep the entire team in an inhuman show of determination and club spirit managed to rouse itself from its sleep and arrived at the track at 8:15am to compete for their club.

This year the program was not to the liking of the men's team with no pole vault (in which we dominate) and winning was always going to be a tough ask when Cameron Baker is the number one high jumper and discus thrower and number two shot putter thanks to the sterling efforts of Marty Duke who rose to prominence in his new event. Mark

Stewart had a Leanna Tilley type performance in the 3000m, very inspirational but not too quick and Tim Williams showed that the seven races he had already had over the last two days had taken their toll. The junior 200m hurdles team was inspirational finishing second in both divisions and Mohamed Zeed took out the second heat of the 100m.

Final Results for the men were:

Queensland Uni	309
Sydney Uni	304
Queensland Pacific	280
Melbourne Uni	270
Box Hill	249
Port Adelaide	238

In the women's division Box Hill again finished 5th in a much stronger field than last year. For some idea of the standard of competition Box Hill has 3 of the top 6 women's pole vaulters in Australia yet only managed 3rd and DNQ in the Club Championships. The prospects of the team were hampered when one of the star athletes was struck down with a sudden illness that would not allow her to walk let alone compete. The highlight was Kerri Jorgensen who was the only Box Hill athlete to win a first division event in the 800m followed in by Elisa Eddy who was second in her division despite the flu.

Final results for women:

Queensland Uni	316
Melbourne Uni	292
Adelaide Hills	282
Queensland Pacific	253
Box Hill	236
Sydney Pacific	233

70 YEAR DINNER

To celebrate the 70th Anniversary this year of the formation of the Box Hill Athletic Club, the Club is holding a dinner on Saturday 27th July 2002. The dinner is being held at the Eastern Golf Club, 473 Doncaster Road, Doncaster, commencing at 7:00 pm.

The evening will be an opportunity to reflect on and celebrate some of the great successes enjoyed by the Club over the past 70 years and a number of different presentations are planned to remind us of some of the highlights. The cost of the evening will be \$50 per head which includes hot and cold savouries, buffet style main course and dessert.

To book tickets use the attached flyer or contact Ian Sloane on 9459 4486 or by e-mail at sloane@cybernetint.net.

WORKING BEE 29 JUNE 2002

A working bee is being held at the club rooms on Saturday 29 June 2002 from 9:00 am to 5:00 pm. It is hoped that we will be able to begin preparations for erection of the steelwork for the new upstairs section of the club rooms. There are also many tasks which need completing for next season including painting of equipment and erecting photos and signs which have still not been put back into position after the ground floor upgrade. A full update on the club room update will be provided at the AGM and in the next edition of Club News.

PRESENTATION NIGHT

Presentation night this year was on 4th May at the Box Hill Community Arts Centre. With the State League Premiership win of the men's and four Association Finals victories the focus this year was on our successes as a club.

The hall was decked out in balloons (well at least the ones we didn't burst when putting up) which created a festive atmosphere for the cream of Victoria's athletes to display their finery.

Some of the distance boys enjoying the night.

There were some surprises during the night. Marty Duke was disappointed that his shot putting effort at National Club Championships was not enough to win him the Thrower of the Year award though he did take out Male Athlete of the Year. Female athlete of the Year was won by club stalwart Kerri Jorgensen who was "unfortunately" just married and on her honeymoon. But the highlight of the night was the group of balloons launched by the gate crashing Elly Hutton which upstaged Graeme Olden in mid speech.

Marty Duke receiving his award.

The award winners were:

Allan Barlow Shield – Male Athlete of the Year
Marty Duke

Martha Fraser Shield – Female Athlete of the Year
Kerri Jorgensen

Reg Barlow Cup – Male Junior Athlete of the Year
Mohamad Zeed

Armstrong Shield – Junior Female Athlete of the Year – Hayley Tomlinson

State League Points Award – Coach – Bert Tilley

State League Points Award – Male
Marty Duke (219.5), Braden Fraser (202.5)

State League Points Award – Female
Kerri Jorgensen (219.75), Cathy Marshall (155.75), Larissa Touchinskaia (149.00), Georgie Power (148.25)

Club Award – Joan Hines

Grant Taggart Shield – Most Determined Junior Winter Athlete – Jessica deBruin

Hansen Trophy – Champion Winter Athlete – Male – Marcus Tierney

Megan Sloane Cup – Champion Winter Athlete – Female – Nikki Chapple

Outstanding Finals Athlete – Joel Pocklington

Vladimir Slavnic Trophy – Outstanding Thrower – Ronnie Buckley

Ross Haywood Trophy – Race Walking – Wendy Muldoon

Andrew Stewart Trophy – Pole Vault Champion – Steven Hooker, Bridgid Isworth

Frank Tutchener Shield – Club 10 Mile Trophy – Graeme Olden

Interclub Awards – Male

David Featherston, Tim Heron, Trent Hartshorne

Interclub Awards – Female

Elisabeth Bird, Elissa Ward, Nicole Dunner

Under 18 Males

Alex Azcurra, Rick Taylor, Andrew White

Under 18 Females

Michelle Fistic, Sarah Coghill, Vivienne Lee

Under 16 Males

Grant Hodges, Joel Pocklington, David Goodwin

Under 16 Females

Amy Zagato, Georgie McCallum, Catherine Allan

Under 14 Males

Dion Pocklington, Pryce Butson

Under 14 Females

Sarah Cant, Hayley Tomlinson, Kate Winckworth

REGISTRATIONS ARE NOW DUE

Your registration with Athletics Victoria and also membership of the Box Hill Athletic Club fell due on 15 April 2002. To be eligible to compete in winter races and continue to use the Club facilities for training, you will need to organise to get yourself re-registered for the 2002-2003 season. Despite increased registration costs with Athletics Victoria, increased costs associated with the new pavilion and the large financial commitment required from the Club to fund the Stage II Pavilion Upgrade works, the committee has only increased the membership fees by \$5. All members are urged to re-register as soon as possible to help maximise the funds available to the Club to meet these upcoming works. Registration forms can be obtained from the club

rooms or downloaded from the Club web page and should be returned to The Registrar, PO Box 247, Box Hill VIC 3128.

INTERNATIONAL NOTES

Congratulations go to the three Box Hill athletes who have been selected to represent Australia at the Commonwealth Games in Manchester.

Bridgid Isworth has been selected in the pole vault after her third placing at Nationals.

Anna Thompson is competing in the 5000m again after a bronze at Nationals.

Tim Williams has been selected as a member of Australia's 4x100m relay team after a 5th place in the 100m at Nationals and a time in the 200m that should have won him a silver had not Patrick Johnson been controversially placed in the final instead of Tim.

FUNDRAISING UPDATE

The total raised from the Pavilion Upgrade fundraising efforts currently stands at about \$18,000. With still another \$22,000 to go to meet our target of \$40,000, we need enthusiastic support from all members for the events planned for this year, in particular the 70th Anniversary Dinner planned for 27 July 2002. If you are able to help in any way towards the fundraising effort, please contact Westly Windsor on 9890 3653 or Graeme Olden on 9885 0890.

AA CLUB AWARDS

Athletics Australia have recently advised that the Box Hill Athletic Club was ranked equal first in the category of Planning, Performance and Leadership in the recent Active Australia Club Awards. Congratulations to everyone who has helped to achieve the successes over the past year to enable us to be in a position to receive this award. The \$1000 prizemoney will help to ensure that we are able to progress with the second stage of the Pavilion Upgrade this winter.

HELPERS REQUIRED

We are required to supply 10 officials at the Bundoora Cross Country event on Saturday 14th July. We will also be running the BBQ / canteen on the day. If you are able to assist please contact Julie Milner on 9818 1278 or email juliem@brd.net.au

WINTER RELAYS

With the Club having a most successful track season and good start to the track season, we are keen to do well in the Coliban Relays on June 1st and the Flemington Road Relays (normally held at Sandown) on July 20th. If you are available to run in either or both of these events, please contact the team managers Ian Sloane (ph 9459 4486 or email sloane@cybernetint.net) for the men's teams or Chris O'Connor (ph 9882 6108 or email coconnor@swin.edu.au) for the women's teams to let them know that you are available so that we can make sure that we enter sufficient teams and have our strongest possible teams in attendance.

5 KM HANDICAP

The annual Club 5000 Handicap race was run on Saturday April 27 on the well-established Bennettswood course adjacent to Gardiner's Creek. Ultimately 26 starters materialized, several of them vying for the honour of coming up with the most inventive excuse for leniency or producing the most agonized facial expression upon hearing the news of their allocated mark. Notable efforts came from Dave Cross, Tom Waters and Dale Bickham. A special novice attempt from Cameron Baker was adjudged outstanding. He nearly knocked off more experienced campaigners such as Wes Windsor, a perennial high achiever in the annual efforts to extract a more lenient handicap, and again this year's star performer. Previous race winner, Jocelyn Keage, showed she will be difficult to beat in future years with an impressive and impassioned effort to convince the handicapper that there had been a serious mistake made in her case. Cameron was somewhat lucky not to have an additional time penalty, as the handicapper had calculated his proposed time assuming that he would be running the course with pole held aloft in the vaulting position. Maybe with the additional adrenalin such a penalty might have induced, he might have shaded his opposition – perhaps next year?

Sam Hassett and Dale Bickham both qualified for the "Time Mismanagement Award", literally arriving when the race was about to start or when it had actually started. Certainly this was a novel attempt to

persuade the handicapper that they deserved different treatment in forthcoming years.

Enough of the preliminaries, and on to the main event. Haley Tomlinson ran a superb race, and won clearly in the outstanding time of 17 m. 44 s. She started like a rocket and overtook everyone else in front of her, crossing the finishing line 11 seconds clear of Dominic Macken, an experienced athlete set to resume his running career with Box Hill after a break from the sport. Haley's time on this tested course was extremely impressive, and as many of us who have watched her improving know, suggests that she will continue to create new standards of achievement as she gets older and stronger. Well done Haley and we look forward to seeing you continue to improve. Chris O'Connor nearly outfoxed the handicapper, resorting to being sighted recently riding a bicycle along the Yarra Trail with an alleged injury. Well, the sympathy has come to an end with the revelation in the race of his excellent form, untroubled by the previously cited injuries. The proof of the pudding is in the eating, as they say.

Our two leading distance athletes, Graeme Olden and Marcus Tierney, who both started in the absence of John Meagher, performed well, and had probably their best chance to win this year (the Year of the Backmarker), had not several others excelled themselves on the day. Other notable efforts came from the punctual David Ayers, Patrick Kelly, who forgot to start at the right time, the battle between Adam Pepper and Tony Bird, adding to their recent rivalry, and one unnamed starter who removed part of her running costume which should have remained where it was intended to stay.

Sam Hassett probably should really have been the winner as he ran exactly to the time predicted by the handicapper, and Marcus Tierney also gained Brownie points for his acuity in pace judgement.

Thanks to Graeme Olden for setting up the course and Julie Milner and Stewart Livingston for providing the post-race victuals.

Full results of the race are posted on the Club web site.

CROSS COUNTRY RELAYS

The Cross Country Relay meeting at Brimbank Park was the first event on the 2002 Winter calendar. Box Hill enjoyed a promising commencement to the Winter season, with some fine team performances by male and female teams.

Marcus Tierney led the men's Section 1 team off and brought us in at the end of the first leg in 7th position. Doncaster roared to the lead, opening up a huge gap on the other clubs who were likely to be competitive in the race. Olympian Rod de Highden established what turned out to be a winning lead in this leg with a particularly strong second lap. Marcus ran relatively evenly laps and brought us in 7th place in Section 1. Paul Boxshall ran a solid second leg, running the second fastest individual lap in his first circuit, racing alongside Gabriel Bouris from Essendon, who snuck past him to push us into 8th place.

Sam Hassett ran our third fastest time on the day (20:17), in the third leg. Although the gap between Box Hill, and other more highly placed clubs widened slightly, Sam recovered one place and moved us back to 7th place, passing Essendon, but within sight of two clubs at this point. Michael Jones was our next athlete on the course, after an outstanding season on the track for Box Hill, and he ran what everyone was aiming to do, namely a faster second lap than his first. The team's position improved to 6th in this leg, with Michael eclipsing the Ballarat YCW runner.

Barry Lynch took over, and ran a very strong first lap, nearly drawing level with the Peninsula Road Runners' athlete, but the exertion was too great for him and his second lap was 50 seconds slower than his first. Nevertheless, we were only 27 seconds adrift of PRR and the task of trying to improve one place fell onto Graeme Olden's shoulders. Graeme reduced the deficit about 25 metres at the end of his first lap, and sped past his PRR opponent shortly after to anchor our Section 1 team into 5th place, 26 seconds clear of PRR in 6th place, which was a sound effort for the team on the day. His performance was the second sub-20 minute time recorded by our athletes, one second faster than Marcus Tierney on the running watch. Glen Huntly, through the services of Nick Harrison, made a late attack on Doncaster's Dean Paulin, but he failed to catch him by 6 seconds, leaving Doncaster winners of the first Winter race for 2002. APS moved through in the last lap to claim third, with Geelong fading into fourth without the services of Lee Troop and Craig Mottram.

Box Hill has been particularly strong over the last few years in Section 3, and it proved to be the same case in 2002, but by a very slender margin. All our runners performed well, and there was only a 61 second difference across the whole team in their leg times. After the team was in fourth place for much of the early stages, Luke Yeatman, with a noteworthy performance, lifted his team into second place, to build on fine earlier legs from Adam Pepper and Tony Bird. Patrick Kelly propelled the team into a

winning position in the fourth leg with a much faster leg than his Essendon opponent and Chris O'Connor extended the lead over Essendon. What Chris did not see was the danger posed by the last runner representing Traralgon, who came back at all the Section 3 teams, after Traralgon had held the lead in the earlier legs, but faded later. Oblivious to the faster finishing opposition, Chris sprinted nonchalantly to the line to lead in Section 3 several seconds in advance of the Traralgon athlete to claim victory.

Our Section 6 team, consisting of David Ayers, Matt Slater and Cameron McIver ran remarkably consistently with only 17 seconds separating their performances, but, unfortunately, we lacked a fourth runner on the day to complete their team, despite being in a leading position.

The Under 18 team placed fifth (unofficially) after a great start from Andrew White. Chris Hamer looked very snappy on the course and Nick Bourke completed the team running the third leg.

Women's Results

Box Hill women had some good results at the first winter event for 2002. The Division 1 women's team started well with Nikki Chapple running the 6km distance in 22:33 (the 6th fastest time for the day) to bring the team into the first change in 3rd place. Fiona Turner, in her first run for the club, did well despite losing a couple of places. George Connell returned to competition with a strong run on the third leg, while Audra Papworth, in her first senior run, faded a little on the second lap but held on to 6th place.

Our Division 3 team of Kerry Putt, new member Amanda Harper and Megan Sloane also finished 6th, with Megan Sloane running the fastest time of 26:16, over a minute quicker than her time last year. If Megan keeps up this rate of improvement, she might do quite well in the future!

Our junior teams performed very well. Our under 20 team came away with a great win. Emily Smith ran the second fastest time in this age group overhaul 2 runners on the last leg to bring the team victory. Our second under 20 team was also competitive. Beth Bird ran a very good first leg and was so pleased with her performance that she decided to do it again!

The under 18 women's competition was very competitive with 19 teams taking part, with the box Hill Teams finishing 2nd and 10th. Georgie McCallum ran a great first leg to put the team into the lead. Amy Zagato ran well but finished the second leg 3 seconds behind the leaders. The effort of Alice Baquie on the last leg was very commendable. In her

first run for the club she equalled the time Georgie ran on the first leg, the 4th fastest under 18 time for the day, but she was unable to beat the runner from Sandringham, but it was a great effort from this team to finish a close second.

The under 16 team also performed well in taking out 3rd place. In a race where there was just 30 seconds between the first three teams at the finish and then a gap of 3 minutes back to 4th it was a good effort to gain a place. Hayley Tomlinson put the team into the lead running the fastest time in her age group and the second fastest time of all the junior women, under 16 under 18 and under 20. Sarah Cant ran a good leg, but slipped back to second place, while Juliet Thornton brought the team home in third place right on the tail of the first two teams.

Full results and times can be downloaded from the Box Hill Athletic Club web site.

BUY A BRICK

The Club's tax deductible Barlow Fund also includes a separate building fund. With additional funds needed to be able to fund the Stage II Pavilion Upgrade (upstairs extension), donations to this fund are urgently required. Any donations made to this building fund will be directed solely towards the club room upgrade. Now is an excellent time to help the Club to fund your new club rooms and reduce your tax bill. Any donation of \$100 or more will be recognised with a plaque recording your donation prominently displayed on a brick in the new clubrooms. Donation forms can be downloaded from the Club's web site - www.boxhillathleticclub.org - or obtained from Colin Organ – phone 9813 3597 or email at colo@bigpond.com.

BARLOW FOUNDATION

Box Hill Athletic Club operates the Barlow Foundation as a registered project with the Australian Sports Foundation for the purpose of supporting elite athletes and coaches in state league interclub competition. The project makes grants to athletes and coaches from tax-deductible donations made to the foundation. These grants have played a significant part in the success of the State League teams over the past few seasons and the Club is committed to continuing to provide these opportunities for our State League athletes.

The distribution of Barlow Foundation grants made at the recent presentation night for the 2001/02 season is:

- \$200 Reimbursement of expenses to the leading Female State League points scorer
- \$200 Reimbursement of expenses to the leading Male State League points scorer
- \$200 Reimbursement of expenses to the coach whose athletes (including both male and female) score the greatest combined total of State League points.

To help ensure the continued success of our State League teams, we are requesting donations to help fund these grants. All donations are tax deductible. If you would like to obtain a donation form to send in a donation, or have any questions about the Barlow Foundation, please contact Colin Organ on 9813 3597 or via email (colo@bigpond.com). Alternatively you may wish to download a form directly from the Club's web site at <http://www.boxhillathleticclub.org>.

ALL TIME RANKINGS

A draft version of all time Club rankings for men's track events have been posted on the Club web site at <http://www.boxhillathleticclub.org>. There are certain to be some errors and omissions in the lists, however they provide a good basis for fine tuning to produce an accurate list. If you find any mistakes or can add to the lists in any way, please contact either Dale Bickham (bickham@deakin.edu.au) or Graeme Olden (golden@sprint.com.au). The men's field events lists will be added over the coming months. Val Armstrong is busy preparing similar lists for the women which should be published later in the year.

EDITORS NOTE

There are rumors that the committee has put together a 10 year plan with Box Hill winning the next 9 premierships to repeat past glories. I say, why not! With athletes of the calibre of Zeed, Harrison, McLeod, Buckley, Saunders and Polkington all coming through to be permanent members of the State League team the future is looking bright.

It was a great feeling this year to be involved in both Association and State League victories and success breeds success so why can't the Box Hill team of the new millennium emulate the teams of the 60's, 70's and 80's. As long as everyone stays focused and club spirit remains high we should remain on top of Victorian athletics for years to come.

The aim for next year is to go one better. With the National Club Championships involving pole vault for men next year I see no reason why, as long as we have one thrower at Nationals, we can't knock Queensland University off their pedestal and win the treble.

To submit articles either see Cameron Baker or el Presidente Graeme Olden down at the track or email Cameron on cbak2@student.monash.edu

GENERAL NOTICES

High Jump Coach - Jill Taylor (Level 1 coach) is interested in building a squad to train at Box Hill, male or female, any age welcome. Anybody interested please call Jill on 9739 5967 for training times.

Club Merchandise – For a limited time there are some "State League" Long Sleeve Training Tops now available for only \$20. Also a new order of Club Tracksuit tops has just arrived so get in early before they all go for \$85. For either of the above or uniforms please contact Julie Milner 9818 1278 or email juliem@brd.net.au.

BANKSIA SPORTS CLINIC

For many years now, Banksia Sports Clinic has been a sponsor and supporter of the Box Hill Athletic Club. For every Club member that attends the Banksia Sports Clinic for treatment (or for anyone referred by a Club member), a proportion of the treatment fee is returned to the Box Hill Athletic Club. Banksia Sports Clinic offers physiotherapy,

myotherapy and massage services so if you have a muscle injury of some description or are just feeling a bit sore, call Jason Thompson on 9499 8887 and he will make sure that you are well looked after.

Without sponsors like this, it would be necessary to increase fees or hold regular fundraisers just to cover the running costs of the Club. So help yourself by getting your injuries treated and support the Club at the same time.

NATIONALS

Every year a dedicated team of Box Hill athletes makes their way up to Brisbane to compete in the Australian National Championships. This year was no different.

Though nationals started early this year with the 5000m being held at the Melbourne A-Series meet so as to separate it from the 10,000m. Anna Thompson finished third and subsequently gained Commonwealth Games selection.

Up in Brisbane the majority of the Box Hill athletes were staying with the Victorian team at Rydges, though some were getting a cheaper deal than others. Accommodation and transport are always an issue when you are 2000km from home and are lugging poles around. There were stories of athletes having to pay an extra \$120 to get a bag that weighed too much on the plane and another of a Victorian athlete trying to take his pole vault poles onto a crowded peak hour train.

I do not have a full set of results so I won't mention any for fear of missing someone, but special mention must go to Marty Duke who was Box Hill's only Gold Medallist in the 4x400m relay. Such a pity their time was 4 seconds slower than the U20's.

As usual there were plenty of off track highlights, mainly due to a certain athlete making the Australian team, but surprisingly no real gossip comes to mind. Except perhaps if anyone can tell me what that female pole vaulter was getting up to with that young distance runner when they crashed in the same bed?

July 27 2002
