

STATE LEAGUE ROUND 2

OLYMPIC PARK – THURSDAY NOVEMBER 11

Box Hill women have begun to assert their dominance over the State League competition with a resounding win in the second round of State League. With many athletes now returning from other commitments we were able to field athletes in nearly all events. This combined with leading performances by Wendy Muldoon in the walk, Keri Jorgensen in the 1500, and Georgie Power in the sprints, took us to a resounding win.

Unfortunately the men were unable to fill all events and will need to pull the finger out if they are to play any role when it comes to finals. Graeme Olden again led the way by running a strong 1500, followed an hour later by a win in the Steeplechase.
