

# VICTORIES BY BOX HILL TEAMS IN ASSOCIATION FINALS

The Box Hill Athletic Club Under 18 Women's team and Under 16 Men's team completed a successful season for the Club by winning the Athletics Victoria Association Finals at Doncaster on Saturday 31 March.

The Under 18 Women's team trailed the strong Keilor St-Bernards team early in the competition, however the Box Hill girls dominated the track events to establish a comfortable lead mid-way through the afternoon which they were able to maintain through out the rest of the competition to win by 26 points. The Box Hill girls were particularly strong over the hurdles and in the sprints.

The Under 16 Men's competition was much closer with only a few points separating the Box Hill and Preston teams all day, with Waverley not far behind. In the end it was the great team spirit shown by the Box Hill boys who managed to fill almost every event which made the difference and enabled them to hang on to win by just 4 points. In particular, the efforts of the following athletes deserve special mention - Joel Pocklington and Michael Saunders for completing 6 events, Ronnie Buckley for winning the shot put and discus, and Kevin Craigie and Lachlan Aspinall for volunteering to compete in the walk which scored valuable points.

The Under 14 team of Grant Hodges, Steven Lees and Paul Chiodo performed creditably across many events but were unable to match the full teams from the other venues.
