

## BOX HILL JUST BEATEN BY GLENHUNTLY

The Box Hill Athletic Club Men's State League team was beaten by 5 points in round 6 of State League competition at Geelong.

With no athletes competing for Box Hill in the walk, hammer, discus, shot put, triple jump, high jump, javelin or 110m hurdles the team did well to finish second only just behind Glenhuntly, however it was a competition we could easily have won with even one more athlete.

It was great to see a return to competition by Tim Williams who won his heat of the 100m in 10.99s, with Marty Duke in third place. James Fildes finished third in the second heat, just behind two Western Suburbs runners.

Marcus Tierney led the 1500 for 3 laps in hot, windy conditions but was overtaken by the pack in the last lap with Simon McNamara finishing 5th in 4:01, Tim Heron 6th in 4:02 and Marcus 7th in 4:03.

Steven Hooker continued his good State League form winning the pole vault with a leap of 4.60 off a short run.

Kynan Dawes had his first ever win in State League competition in the 3000 m steeplechase, outsprinting Graeme Olden in the last lap to run 9:36.1 with Graeme finishing second in 9:38.4.

The 400 m runners Justin Clarke, Marty Duke and Trent Hartshorne finished first, second and third in the 400 m to collect maximum points and almost enable us to catch Glenhuntly, however they had too big a lead. It was great to see Justin back on the track running 47.11 in less than ideal conditions.

We will need to show improved form on Thursday night to hold our second place on the ladder.
