PRESIDENT'S REPORT

There are many measures that can give an indication of whether Box Hill is maintaining its status as Australia's most successful athletics club.

These include increases in membership numbers, club success in Athletics Victoria competition and the individual successes of our members at state, national and international level. There are also other important factors such as the maintenance and improvement of facilities, a friendly, welcoming atmosphere and financial stability.

Although there is always room for improvement, I am glad to say that the Club has performed well throughout the 2016/17 athletics year on the majority of these indicators.

For a number of years the club membership numbers hovered around 200, but have grown in recent years to reach 205 in 2013, 228 in 2014, 233 in 2015, 255 last year and up to 261 this year.

This is our highest membership for many years and we plan to keep growing this number up towards the 300 mark.

There are a number of factors leading to increased membership; an improved relationship with the Box Hill Little Athletics Centre, stronger links with a number of schools and the high level of expertise of our coaches. Coaches with happy, successful athletes tend to attract and maintain more athletes in their squads.

Box Hill has had another successful year in Athletics Victoria competition winning two winter (XCR'16) premierships and four summer (Shield competition) premierships.

Congratulations to our men's open premier division cross country and road team who won the state premiership for the third time in four years and to the men's over 50 team who also won the premiership in their division.

In the summer track and field Shield competition Box Hill men's teams were victorious in the Under 14, Under 18 and Over 40 divisions and our over 40 women's team also won the premiership.

Box Hill athletes and relay teams picked up more than 100 medals in Victorian championships this year in cross country and track and field, open, underage, all schools and masters competitions.

We also won 22 medals at Australian open and underage championships. Special mention to our national champions, Dalton Di Medio who won the national Under 18 pole vault title, Jessica Mackenzie, the U17 heptathlon champion and Andre Di Medio who triumphed in the Under 14 pole vault.

On the international stage, Zoe Buckman competed with distinction at the Olympic Games held in Rio de Janeiro. Zoe won through the heats into the semi-final and then narrowly missed qualifying for the final.

Georgia Hansen, Kathryn Brooks and Nana Owusu-Afryie represented Australia at the World Junior Championships in Bydgoszcz, Poland and Georgia Griffith and Kathryn Brooks have now been selected to represent Australia at the World University Games in Taipei in August 2017.

A number of Box Hill athletes competed in the World Masters Championships in Perth and later in the season in the World Masters Indoor Games in Daegu, Korea.

In Perth, George Schillinger won a gold medal in the 70-74 years pole vault, Karen Carah (45-49 years heptathlon) and Andrew Egginton (55-59 years 800m) won silver medals and David McConnell won bronze in the 60-64 years, 300m Hurdles.

In Daegu, George Schillinger repeated his victory from Perth, while Steve Dinneen won gold in the 35-39 years 3000m and a bronze medal in the 1500m while Scott Lawrence picked up a silver in the 55-59 years 1500m and Andrew Wilcox won bronze in the 45-49 years 400m.

The construction of our new throwing cage was completed, but disappointingly, Athletics Victoria deemed our facilities unsuitable for Shield competition.

Resurfacing of the track in the near future will hopefully change this situation and see shield competition return to Box Hill. Despite the judgement of Athletics Victoria of our track as inadequate, we held many school competitions, Little Athletics competitions were held on Saturday mornings and Sunday afternoons, we hosted two highly successful Miler's Club competitions and the Club organised the Box Hill Classic, an evening of 800m and 3000m races that attracted more than 350 runners and raised substantial funds for the club.

Social events throughout the year included a Movie Night to help raise funds for our athletes travelling to the world junior championships, the annual Club 5km handicap event launched the winter season, and the Club Trivia Night, which was held at the club rooms this year and again proved to be a great social and fundraising evening. Other functions were the summer season launch and our annual presentation night.

It should not go without mention that this year Mark Stewart was inducted as a life member of Athletics Australia. This is a tremendous honour and well deserved recognition of Mark's contribution to athletics in Australia. Mark has been a member of Box Hill since the 1970s and his support and contribution to the Club has only been equalled by his passion for the event of pole vault.

Many people have contributed to the success of the Club over the past twelve months. Thank you to all those who have acted as club helpers throughout the winter and summer seasons. Thank you to our team managers, Ian Sloane in the winter and Amanda Harper, Andrew Wilcox, Leanne Bertacco and Simone Lovass in the summer. Thanks to Steve Dinneen and Peter Stefanos for their work to make the Box Hill Classic such a success and also to Peter for his tremendous work as the Box Hill Athletic Club photographer. Thanks to Rachel Johnson for looking after the sale of club uniforms.

Finally, thank you to the committee, Steve Dinneen, Angela Robbie, Michael Dowel, Tony Rule, Barbara Johnson, Stephan Ellinghaus, Simon Evans and Graeme Olden for their work throughout the last year.

2016/17 has been a very successful year for the club and we aim to keep improving and hopefully have an even better performance in 2017/18.

Chris O'Connor
Club President

Winter Report: XCR'16 Cross Country and Road Racing

Box Hill finished the cross country and road racing (XCR'16) winter season winning the Athletics Victoria men's Premier Division premiership for the third time in four years.

This was a great team effort, in what was a closely fought battle throughout the season. Our depth saw the team perform well even though we rarely managed to get our best six runners to the starting line for any of the ten events.

A strong start to the season saw the team win the first six events, although many of them were closely contested, and this was enough to see us through to another premiership.

Congratulations to James O'Connell, Nick Baggott, Peter Green, Steve Dinneen, Andre Waring, Matt O'Donnell, Dion Finocchiaro, Michael Dowel, Will Potter, Klarie McIntyre, Chris Bradford, Mitch Dyer and Daniel Clark, all of whom helped our Premier Division team take the title.

Congratulations also to John Meagher, Garth Calder, Peter Stefanos, Chris O'Connor, Graeme Olden and Simon St. Hill who won the men's Over 50 title.

In other divisions, we finished third in men's division 2 and in men's division 4 and sixth in division 6 and Over 40.

Our women's Premier Division team has had a mixed season, with many of our runners unavailable for many of the events. Fortunately the team did well in the last two events to climb out of the relegation zone and finish 8th on the ladder.

Our over 40 women's team finished 4th, while our men's under 20 team finished 2nd, men's under 18 were 6th, men's under 14 finished 4th on the ladder and our women's under 20 team were 8th.

As well as winning two XCR'16 team premierships, Box Hill also produced three age group winter champions. June Petrie and John Meagher once again won the individual titles in the 50-54 years age group and they were joined this year by Chris Bradford, who had a brilliant season winning the 40-44 years age group.

There were also some outstanding performances by Box Hill athletes at the Victorian All Schools Cross Country Championships, with medals awarded to Molly McCarthy (Gold U15 women), Mac Anderson (Silver U14 men), Connor Ogilvie (Bronze U14 men) and Amy Atkinson (Bronze U16 women).

Matt O'Donnell (U20) and Scott McKenzie (U18) both won medals at the state 10km road race championships.

In other races, Dion Finocchiaro ran 2:27:30 in the Gold Coast marathon, then 2:27:25 to finish third in the Sunshine Coast marathon. He then won the Centennial Park Ultra 50km race in Sydney in a time of 3:07:05. This was all in preparation for his race in the World 100km championships in Spain, where he finished 31st. In difficult weather conditions, Dion completed the journey in a time of 7 hours, 8 minutes and 37 seconds.

Klarie McIntyre had a breakthrough performance winning the Brisbane marathon in a time of 2:35:28.

In the Melbourne marathon, Steve Dinneen finished 10th in 2:28:37 while Chris Bradford was 36th and 3rd in his age group (40-44) in a time of 2:41:45.

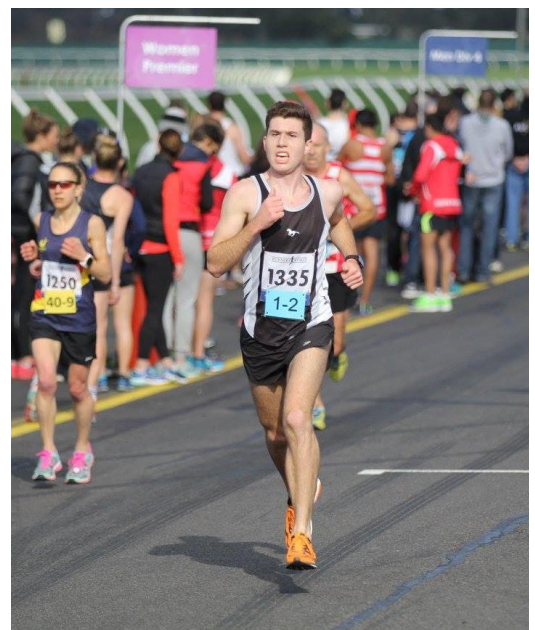

Julie Norney ran a brilliant 78:41 to win her age group (and finish 12th overall) at the Gold Coast half marathon.

At the prestigious Sydney City to Surf, Box Hill had three athletes in the top 8 with Steve Dinneen, Peter Green and James O'Connell finished 5th, 7th and 8th respectively out of more than 67,000 finishers.

Overall it was another successful year for the Box Hill distance runners.

Shield Competition

Box Hill enhanced its reputation by winning four Shield competition premierships this year.

To put this into context, Shield competition is held over twelve divisions (men and women, open, U14, U16, U18, U20 and 40+); Box Hill entered teams in eight of these divisions and all eight of our teams qualified for the Shield final. Our teams went on to win four premierships and finished second, third, fourth and eighth in the other age groups.

No other club won more than one preiership.

Congratulations to our men's U14, men's U18 men's over 40 and women's over 40 teams who were all triumphant in the Shield finals.

Despite these successes, not everything went well for the Club and we were unable to defend our Open Division 1 men's title, finishing in second place this year, while our women's Division 1 team finished third.

Men Under 18: Premiers

Congratulations to Georgia Hansen, Kathryn Brooks and Nana Owusu-Afriyie who all performed very creditably at the world junior championships in Poland.

Georgia Hansen ran 2:09.51 in her 800m heat to miss out qualifying for the semi-finals by just 0.57s.

After an injury plagued preparation, Kathryn Brooks threw well in the javelin to finish 16th with a distance of 50.54m.

Nana Owusu-Afriyie was a part of the 4x100m relay team that finished 7th in the final in a time of 45.15.
