## PRESIDENT'S REPORT

It was a season of two parts. The 2020 cross country season was, unfortunately, a right off as covid closed the state. This followed the cancellation of the national championships, which was a huge disappointment for many senior athletes but particularly the juniors who were potentially lining up to compete at their first ever championship. We were also saddened by the passing of one of our coaches, Bill O'Connor, the father of our long-serving former President Chris.

Many questioned whether we would be able to run the summer track season, but with many an adjustment we were able to put together a season. The Shield was far from ideal due to the restrictions, but Athletics Victoria should be commended for holding the events under such difficult circumstances.

Pleasingly, the mid-week events, the Vic Milers, High Velocity and Rare Air all flourished. Athletes were clearly keen to compete, and we saw record numbers turn up. Our own events, the **Box Hill Classic** and our inaugural **Box Hill Burn** were massively successful, and outside the 2021 National Championships, were arguably the best races with the best field in Australia. We saw numerous national records set – including the Women's 1500m, and the women's 1000m set at Box Hill.

Athletics Australia again hosted Zatopek at Box Hill, as well as adding the National 3000m championships. In addition, we held most of the Vic Milers and Rare Air events. The reputation for Box Hill being a fast track with well organised meets has served us well. We added food trucks and continued to grow our bar to provide more amenities for the running community. We are becoming the home of athletics in Victoria (and Australia)! So much so we recently won a national poll as Australia's favourite track.

While the track is an outstanding facility, there are some key areas that need to be fixed. The terraces need to be rebuilt, we need shade structures, a new pole vault runway, general landscaping, and a lighting upgrade. We continue to engage with the local council, as well as our State and Federal members. We are also extremely fortunate that we have received some generous donations to assist the club fund specific projects over the last year. Many thanks to these donors – your support is very appreciated.

### Committee and Volunteers

Box Hill is a non-profit Club, and nothing would happen if it was not for the volunteer work of all the Committee Members. The work by all members is greatly appreciated and there would be no club without their commitment.

The club also hosted a huge number of events over the year, and all of these were organised by a group of hard-working volunteers. Special call out to Shane Holt, Steve Dinneen, Chris O'Connor, Megan Sloane, Ian Sloane, Simon Evans, Adelaid Hawkins, and Peter Stefanos. These committee members do a mountain of work.

### Coaches

The club is here to support our athletes and underpinning these athletes are our hard-working coaches. Steve Dinneen, Steve Cain, Stephen Ellinghaus, Tony Marsh, Nick Wall, Mark Stewart, Chris O'Connor, Rachel Limburg, Rob Falkenberg, Angela Phillips, Larisa Turchinskaya, and Andrew White.

### Angela Robbie and Barbara Johnson

We were very sad that two of the club's greatest stalwarts retire this year. Angela served the club for over 25 years including roles as Treasurer and Secretary. Barbara Johnson served for over 15 years and was the backbone for many of our events.

I cannot highlight, nor stress, the phenomenal amount of work these two individuals have contributed to the club over such a long period of time. They are a huge loss and have our never-ending thanks.

Finally, congratulations to Box Hill athlete, Georgia Griffith who was selected to represent Australia at the Tokyo Olympics in the 1500m.

We look forward to continuing to improve the experience for our athletes and coaches over the next year.

Jeremy Griffith  
Club President

## Winter Report 2020

Due to the Covid pandemic the Athletic Victoria 2020 Cross Country and Road Racing season (XCR'20) was cancelled. This was most disappointing and left the club's distance runners trying to keep fit while dealing with lockdown and other health restrictions.

In December the club managed to hold its annual Club 5k Handicap event (usually held each April). It was great to get many of our distance runners together for this event. The handicap event was won by Michael Petridis, with Steve Dinneen winning the Frank Tutchener trophy for the fastest time.

## Summer Report 2020/21 Track and Field Season

Like all things this year, the summer track and field season was affected by the covid pandemic.

Athletics Victoria Shield League (AVSL) entered its second year in the current format, but was several weeks late to start and early rounds were run under difficult conditions with just 50 athletes allowed in each hour of competition.

These conditions, along with Athletics Victoria's strange decision to hold most of the early rounds on a Sunday morning meant that the number of athletes competing was well down. The AVSL format, with just one club team score and no underage or overage teams, or any separate men's and women's competitions, probably contributed further to the decline of interclub competition.

In its place, Miler's Club, High Velocity Club and Rare Air Club competitions thrived with record numbers of competitors.

Box Hill also held its own special meets, the Box Hill Burn and the Box Hill Classic. These were both a great success. We also successfully hosted the Zatopek 10, the Victorian Relay Championships, the Victorian 5000m Championships and the Australian 3000m Championships.

Our athletes had a very successful year winning many medals at state and national championships.

Special mention to Julie Norney who set a national record of 10:29.84 in the 3000m for the 50-54 years age group.

All athletes dream of representing their country at the Olympic Games. Georgia Griffith overcame serious injury to qualify for the Tokyo Olympic Games. Congratulations to Georgia and her coach, Steve Ellinghaus, who worked together to achieve this goal. The whole club wishes Georgia all the best in Tokyo.

### **AVSL Competition**

Despite not being at full strength, Box Hill finished third in the AVSL Premier division. Although many athletes concentrated on other competitions this season, it is important, going forward, that the Club performs well in this club versus club competition and we encourage all club members to support this club points competition in future to put Box Hill back in the number one position.

### **Victorian Track and Field Championships**

Box Hill had many outstanding performances in the state championships, with Box Hill athletes winning an amazing 53 medals (17 gold, 21 silver and 15 bronze). Every one of these athletes deserves congratulations, not just for their great performances in the state championships, but also for the many hours of hard work and training that went into winning these medals. Congratulations also to the athletes who may have missed out on medals but still trained hard and performed well.

Special mention to our open state champions, Ellie Sanford, Rachel Limburg and Dalton Di Medio.

**Comments:** Remarkable to achieve a small surplus given the disruption caused by Covid and the fact that we reduced our club add on to AV membership from \$90 to nil to assist members during this period. Credit to AV for getting the summer season going but the main factor was a string of successful events held at the club during the 3 months to March 31st this year. Our team of volunteers generated significant revenue from entry fees, canteen, BBQ and the bar.

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the Statement of Receipts and Expenditure report is not presented fairly, in all material respects, in accordance with the Australian Accounting Standards and Associations Incorporation Reform Act 2012. As the auditor of BOX HILL ATHLETICS CLUB INC., ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a 31st March 2021 Statement of Receipts and Expenditure report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Independence*

In conducting our review, we have complied with the independence requirements of the Australian professional accounting bodies.

*Conclusion*

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the 31st March 2021 Statement of Receipts and Expenditure report of BOX HILL ATHLETICS CLUB INC. does not present fairly, in all material respects, or "give a true and fair view of the financial position of the BOX HILL ATHLETICS CLUB INC. as at 31st March 2021, and of its financial performance and its cash flows for the 31st March 2021 ended on that date, in accordance with Australian Accounting Standards and Associations Incorporation Reform Act 2012.
